# 1. Organization structure/chart of the government (#010)

|               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| What          | A diagrammatic representation of the structure of a government organization or agency. It illustrates the hierarchy, relationships, roles, and responsibilities of various departments, units, and positions within the government.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Why           | A government organogram promotes transparency, accountability, efficient communication, citizen engagement, service access, and even legal and regulatory compliance in some cases.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| How?          | <ol style="list-style-type: none"><li><b>Visual Representation:</b><ol style="list-style-type: none"><li>Create a clear and concise diagram outlining the national organization's structure.</li></ol></li><li><b>Accessibility and Transparency:</b><ol style="list-style-type: none"><li>Publish the diagram prominently on the national portal for easy public access.</li><li>Ensure the diagram is in a widely compatible format (e.g., PDF or PNG) for easy viewing.</li></ol></li><li><b>Detailed Descriptions:</b><ol style="list-style-type: none"><li>Provide brief descriptions of each department or unit represented in the diagram.</li><li>Include contact information, key responsibilities, and services offered by each department.</li></ol></li><li><b>Regular Updates:</b><ol style="list-style-type: none"><li>Reflect any changes in staffing, departments, or reporting lines promptly to maintain accuracy.</li></ol></li></ol> <p>Check out <a href="#">Canva's guide on creating organizational chart</a></p> |
| Case Examples | Check out the <a href="#">United Kingdom of Great Britain and Northern Ireland</a> Organization structure page<br>Submit your case <a href="#">here</a>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

## 2. Names and titles of heads of department (#011)

|                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>What</b>          | A section, chart or webpage displaying the names, official titles, and contact information (such as phone numbers and email addresses) of individuals leading various government departments or ministries.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>Why</b>           | This information allows individuals, businesses, or other stakeholders to directly communicate with the heads of these departments regarding specific matters, services, or concerns. It also promotes transparency, accountability, and accessibility.                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| <b>How?</b>          | <p><b>Indicative Steps:</b></p> <ol style="list-style-type: none"><li><b>1. Gather Information:</b><ol style="list-style-type: none"><li>a. Collect the names, official titles, and contact details (phone numbers and email addresses) of department heads.</li></ol></li><li><b>2. Create a New Webpage:</b><ol style="list-style-type: none"><li>a. Within your content management system (CMS), create a new webpage dedicated to this information or insert it into your organizational chart (see previous slide).</li></ol></li><li><b>3. Regular Updates:</b><ol style="list-style-type: none"><li>a. Commit to keeping the information up-to-date, reflecting any changes in department leadership.</li></ol></li></ol> |
| <b>Case Examples</b> | Check out <a href="#">Uruguay's</a> Organizational Structure page                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

| What          | Evidence of legislation on data privacy and protection refers to laws enacted by governments to safeguard personal information, ensuring its secure and responsible handling by organizations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Why           | Crucial to inform people of their rights and obligations regarding personal data, promoting transparency and compliance with legal requirements.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

| <b>What</b>          | Often to be found under a Ministries/Cabinet tab or section, or the organisational charter of the government on the national portal(s). This pertains to sectors such as Health, Justice, Education, Employment/ Labor, Social Protection and Environment                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Why</b>           | Promotes transparency and enables public engagement in governance across various sectors like Health, Justice, Education, Employment, Social Protection, and Environment.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>How?</b>          | <p><b>Indicative Steps:</b></p> <ol style="list-style-type: none"> <li><b>1. Identify Ministries:</b> <ol style="list-style-type: none"> <li>Determine key sectors like Health, Justice, Education, Employment/Labor, Social Protection, and Environment for linking.</li> </ol> </li> <li><b>2. Establish Guidelines:</b> <ol style="list-style-type: none"> <li>Create clear standards for linking sectoral websites on the national portal.</li> </ol> </li> <li><b>3. Coordinate with Ministries:</b> <ol style="list-style-type: none"> <li>Collaborate with ministries to ensure accurate and consistent linking.</li> </ol> </li> <li><b>4. Monitor and Update:</b> <ol style="list-style-type: none"> <li>Regularly review and update links to ensure their relevance.</li> </ol> </li> <li><b>5. Publicize Accessibility:</b> <ol style="list-style-type: none"> <li>Promote the availability of sectoral links on the national portal for citizen awareness.</li> </ol> </li> </ol> <p>For more tips, check out <a href="#">US GSA's external links section</a> or the <a href="#">UK's guide on Adding links to content</a>.</p> |
| <b>Case Examples</b> | Check out <a href="#">Saudi Arabia</a> 's landing page with distinct sectoral links                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
